## TERMS AND CONDITIONS OF SALE

### SALE TERMS—

Cash, except when arrangements have been made with the consignor, before the sale. Settlements to be made with the clerk immediately after the sale, but it shall be understood that the Association assumes no liability, legal or otherwise, and the guarantee and terms shall constitute a contract between consignor and purchaser of each lot. All stock at buyer's risk, as soon as bid off, but the management will carry out buyer's instructions in loading and shipping as nearly as possible.

### GUARANTEE—

All cattle sold subject to a sixty-day test for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls over 20 months on sale day are guaranteed breeders, if not allowed to run with herd. If a bull fails to breed he may be returned to the breeder, if in as good condition as when bought, and if after a test in the seller herd he fails to breed he will be replaced or purchaser's money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made. All other cows and heifers over 16 months of age at the time of the sale are guaranteed breeders. An animal returned to seller because it does not comply with the guarantee will be at buyer's cost of transportation.

Any claim for adjustment because an animal is a non-breeder must be made with the seller within ninety days of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. The sales manager, the clerk of the sale assume no liability, legal or otherwise.

### PEDIGREES AND CERTIFICATES—

A certificate of registry and a transfer will be furnished with each lot sold, and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Footnotes appearing in the catalogue concerning each lot furnished by the consignor or from information given the sale manager by the consignor.
